BECOMING MORE LIKE CHRIST

“Therefore, be imitators of God, as beloved children. And walk in love, as Christ loved us and gave Himself up for us, a fragrant offering and sacrifice to God.” Ephesians 5:1-2

Becoming more Christ-like doesn’t mean losing our individuality and personality, but about having our character transformed.

It is often through difficult times that we grow in character most. We choose to allow God to work in each situation, and trust God’s Spirit to give us the power, love, faith and wisdom to help us.

Paul explains our 3 responsibilities in becoming more like Christ:

1. Deciding to let go of our old ways and bad habits and allow God to mould us and shape us.
2. Renewing our minds according to Romans 12:2.
3. Clothing ourselves each day with the character of Christ, by developing new habits.

Remember to enjoy God, to give thanks in everything and to maintain a consistent prayer life.

SECONDARY STUDENT PROGRESS

Students and their parents will be receiving progress reports shortly to outline work requirements which have not been completed by the due dates. These students are in danger of not completing their work for Term 1 and may not complete their Honour Roll Requirements.

It is important that parents allow students to recognise their responsibilities, to apply themselves to the task and to be thorough in handing in due work on time. Work that is overdue is still required to be submitted.
