DR DALLAS CLARNETTE VISITS OLIVET
On Tuesday and Wednesday this week, the secondary students had a special conference over 4 periods on the role and workings of government, Parliament, the history of government and how important it is for us to be involved in the political processes of the country of Australia. It was good solid teaching and we appreciated Dr Clarnette’s God-given wisdom and discernment in his delivery to us.

LIVING IN WARTIMES PROJECT
This afternoon, Year 9 students presented a launch of their Living in Wartimes Project to an audience of the Campbells Creek Senior Citizens Club. The students, together with Mrs Donaldson, have completed some fine work and it was a wonderful opportunity to be involved in the community. On Tuesday morning Mrs Donaldson was interviewed on ABC Local Radio regarding the project and this was very well received.

VICTORIAN STUDENT CONVENTION
Congratulations to all students for a terrific week at Rawson last week. Students performed well and received due recognition for their efforts. Full results of place getters appears in this Newsletter. Thank you to the staff and the students for their co-operation for the week.

PLEASE PRAY THIS WEEK for the RUNGEN WHITE WILSON and AMY Families.

VOUCHERS FOR OLIVET
Congratulations to all—we passed the target of 5000 Coles vouchers! Thank you to all who have been diligently collecting either Coles or Woolworths vouchers for Olivet. Thank you also to Mr Steel for his accurate counting and recording efforts over the collection period!
