The Olivet News

Welcome to Term 3. Our first scripture memory is Psalm 100. A Psalm that is written as a praise or a thankyou to God. We sometimes need to remind ourselves to give thanks to God. For what, you might ask? In Acts 17 verse 28, we are told that in God we live, move and exist. Each of us are alive today by the power of God. We got out of bed today, ate breakfast and whatever we did, we did because God actively sustains us. We live because He continues to will that we live. For most of us, being able to breathe, is probably the one thing that we most take for granted. Whether it is the air we breathe or any one of a vast multitude of things God blesses us with, we need to develop a heart of thankfulness. Even when things don't appear to be going well for us, we need to thank God for the sacrifice of Jesus for our sins. We need to be thankful that we don't have to face anything on our own if we have Jesus in our lives.

Steven Nicholas.

PLEASE PRAY This week for these families: Brown, Burt, Harris and Hodges families.

STAFF DEVELOPMENT.

On Monday of this week, the staff were involved in a First Aid training day here at the College.

On Tuesday, the staff attended the Christian Schools Australia's Regional conference in Bendigo along with 300 other teachers, administrators and

support staff from Christian schools in regional Victoria. It was a very profitable day. The main speaker was Dr. Glen Shultz, the founder and director of Kingdom Education Ministries. Glen has spent 50 years working in education and shared with us a biblical philosophy of education. Amongst others, we also heard from Brett Ryan who is the CEO of Focus on the Family Australia.

SECONDARY SPORT

This week, weather permitting, we will be at school beginning a unit on Netball and Newcomb Ball.
