Andrew House won Swimming Sports!

NO OTHER NAME

Acts 4 is our current passage for memory. It is a wonderful true story of how Peter and John boldly proclaimed that Jesus Christ, whom the rulers ordered to be crucified and killed, was the One who healed the crippled man.

This same Jesus is alive and well, living as Spirit among those who claim to be His.

"Neither is there salvation in any other (name); for there is no other name under Heaven given among men, whereby we must be saved." Acts 4: 12

PLEASE PRAY THIS WEEK for the HOPE LOUREY LOW and both the LACEY Families.

SWIMMING CARNIVAL A GREAT DAY

Well done to all participating students in a wonderful Swimming Sports on Friday. Congratulations to all the students of Andrew House who once again came away with the points AND the Trophy. It is getting to be quite a habit over recent years.

Thank you to all staff and also to student and parent volunteers who assisted with the organizing of the day, and particularly thanks to Mr Steel and Mr Treloar for their planning of the program for the day.

We had the school swimming sports at the Harcourt Pool on Friday afternoon. We had races, activities and free-time. I liked the noodle race the best. On Monday we got our ribbons.

I won the noodle race and got a blue ribbon and I got a red ribbon for second place in torpedoes and running. I got a third in swimming. I had fun wearing the life jacket and doing rolls. I loved the pool day and having a good time in the water.

Lydia

AUSLAN LOTE TOMORROW

We look forward to Primary Auslan classes tomorrow, Friday, to enable our visiting deaf tutor, Suzanne Richardson to be with us. This will be the Preps first Auslan lesson.

EASTER SCHOOL HOLIDAY CAMPS

Childrens' Christian Camps run 3 fantastic camps for Grades 4, 5 and 6 students over the Easter school holidays, reasonably priced and great fun! Check out their website at

www.thecampingprogram.org.au

Experience 5 days of great activities, puppets, studies, craft, games, rotations, banners and so much more....."just awesome!"

This year there is a choice of 3 Camps:
Camp 1 Wed 3rd April –Sun 7th April
at Camp Curumbene, Corop
Camp 2 Mon 1st April – Fri 5th April
at Burnside Camp Anglesea
Camp 3 Mon 8th April– Fri 12th April
at Camp Curumbene, Corop

The Olivet News

WANTED FOR INDONESIAN BATIK MAKING

Thankyou for the gift of an iron for our Indonesian art session.

We have managed to get enough electric frying pans also.

We still please need any **old COTTON sheets** (must be a light colour – plain white preferably) you might want to give away.

We will be cutting them up and dyeing them to make Batik cloth.

Many thanks, Mrs Weightman

WHERE DO ANDREW AND DAVID HOUSE NAMES COME FROM?

Brother Andrew founded “Open Doors” more than 50 years ago. Open Doors strengthens the Persecuted Church in countries where Christianity is forbidden or restricted.

Today, Open Doors’ teams continue to visit believers in high-risk areas to provide Bibles, Christian Literature, leadership training, literacy, livelihood opportunities, emergency assistance and personal encouragement.

Brother David worked in China bringing Bibles through communist border controls

The Church had only just started to re-emerge after decades of brutal oppression and the desperate need of believers everywhere was for Bibles.

A quarter of a century later reports are still being received of the tremendous impact those Bibles had on whole communities. Chinese Christians consider Project Pearl a key event which contributed greatly to the mighty revival presently sweeping the world’s most populous nation.

WORLD EDUCATION GAMES

The Games have returned. The school is registered to participate in the annual World Education Games next week. This year is bigger and better than the last. The warm-up period has begun. So, we encourage all students to log onto Mathletics using their username and password.

When logged into Mathletics, students will need to click on the World Education Games section. The Games officially start next Tuesday with Literacy, continuing Wednesday with Numeracy, and finishing up with Science on the Thursday. So get practising and see what prizes you are able to win.
