William Wilberforce role play by the Year 9 girls; concrete slab being poured.

BE STRONG IN THE LORD

Ephesians 6:10 - 18 is a wonderful passage about strength and about how God can equip us thoroughly with the armour of God in our lives every day.

Girded our loins with Truth

Put on the breastplate of Righteousness

Our feet shod with the Gospel of Peace

Taking the shield of Faith

Take the helmet of Salvation

The sword of the Spirit, which is the Word of God

Pray at all times.

PLEASE PRAY THIS WEEK for the GUNDRY HODGES HOPE and MODERN Families.

CANBERRA TRIP IS GOING WELL

The Grade 5 and 6 students are enjoying a very busy week in Canberra. There is a lot happening in Canberra this week so it is a good time to be there. Mr Kevin Rudd even came up to Mr Nicholas and introduced himself!

On the way up on the plane, several AFL players from the past (Matthew Lloyd, Peter McKenna and Dipper) were travelling too, which was a real highlight for those who recognized them!

Continue to pray for the students and staff as tiredness hits them, that they may be able to do all that is planned, and complete an amazing time in Canberra.

We look forward to seeing them safely return tomorrow night.

NATIONAL SCIENCE AND ENGINEERING CHALLENGE

This coming Wednesday (June 12) students in Years 8, 9 and 10 will be in Bendigo participating in a day to promote learning in the Science and Engineering fields. Students will be challenged to design and build structures, through fun and practical hands-on activities, to raise awareness of the opportunities available in Science, Technology and Engineering.

In past years this day has been a huge success with participating students showing great enthusiasm and determination to win for their school.

Students will be working in twos and threes to plan and build a structure in accordance with the specifications given to them. The day is free of charge and students will be travelling from Olivet by bus to reach the venue at Flora Hill Indoor Sports Stadium by 9.15am. Students will wear their Sports uniform for the day.

Students have been given their instruction sheets which are to be read thoroughly a number of times beforehand so thought can be given to the planning before students arrive on the day.

Bendigo students may meet us at the venue at 9.15am rather than come to school first. They may be collected from the venue at 2.30pm.

Students are to bring their lunch on the day. There is opportunity to buy items at the café at lunchtime. Please complete the Permission Slip below.

PERMISSION FORM FOR SCIENCE AND ENGINEERING CHALLENGE Years 8 9 10

I give permission for _____
to attend the National Sci and Engineering Challenge Day in Bendigo on Wed 12 June from 9.15 am - 2.30pm.

Non-Bendigo students will travel to and from Bendigo by school bus. Cost is free.

Teachers accompanying students for the day will be Mr Chapman and Mrs Weightman

SIGNATURE OF PARENT/GUARDIAN

INDONESIAN DAY IN MELBOURNE

On Thursday next week (June 13) all secondary students will be travelling to Melbourne by bus to enjoy an Indonesian experience at the *Bali Bagus* Indonesian restaurant, 85 Franklin St, Melbourne.

Students will leave Olivet by College Bus for the day and will return in time for buses in the afternoon.

Mrs Weightman and Mr Chapman will be the teachers attending the excursion. Students will be wearing full winter uniform for the day.

Students will order their meal and respond to questions using their knowledge of Indonesian language skills learnt this term. This is the major assessment for Term 2 LOTE.

WOOLWORTHS EARN AND LEARN

Thank you to all who are helping Olivet to raise our target of 12,500 points. The competition is set to finish on this Sunday (June 9)
