From the Principal's Desk

Our new Scripture memory passage, Psalm 8, praises God for His amazing power and creation, while marvelling at the idea that God would give any further thought to something as frail and limited as man.

The Psalm points out the incredible power God displays in nature. God's influence on the

natural world is obvious, and it should lead people to recognise Him. Here in Psalm 8 we see the same God who made massive stars, an immense cosmos, and innumerable planets... also made us. David, the writer, is amazed to think that God would care about insignificant people when He has also made such mighty things.

David is also amazed at the fact that God would give us as human beings such an important role. God has chosen us to superintend His creations

(Genesis 1:28). David proclaims that God's name is truly "majestic," using a Hebrew term that means "excellent, exalted, or great."

Year 2-3

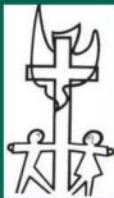

Mrs Amanda Bourdon

We have had a great start to the year in Year 2 and 3. In Maths, we have been learning about place value. We are reading and writing some big numbers too!

The focus in writing has been persuasive texts. We have learnt the structure, building strong arguments and focusing on backing up our arguments with evidence and examples. Initially it was a bit tricky, but now we are becoming experts at being persuasive, even writing persuasive letters to persuade Mr SNicholas also! I wonder if the Year 2 and Year 3 students are persuasive at home too?!
