

# OLIVET CHRISTIAN COLLEGE NEWSLETTER

Number 27

14 October 2021

*From the Principal's Desk*

God calls us to be strong and courageous. 2 Timothy 1:7 says, “For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.” Yet here we are, perhaps often afraid and struggling with our fast changing world. Yes, times are scary at the moment. It is normal to say it. We are all human and God understands that. In the times we are in, in fact any time, we need to tell him how scared, angry, sad, and frustrated we are. I will finish off with a great verse that can help us all:

*Be careful for (or anxious about) nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus. Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.*

Phillipans 4:6-8

## STUDENT FREE DAY

Next Monday 18 October will be a student free day, so there will be no students at school and no remote learning classes.

**FAMILIES TO PRAY FOR THIS WEEK**  
Norman - O'Reilly - Parker - Port

## SUMMER UNIFORM

Students are required to wear summer uniform during Term 4. There is a two week crossover period for the first two weeks where full winter uniform may be worn if required. Stock is available from the office if your child/ren need new uniforms.

## SCHOOL CAMPS

According to the current guidelines effective from October 2, we are currently unable to hold school camps. Although we have made plans and attempted to do this for both Secondary and Years 3-6, it is not possible to plan for this at this stage, however, we will continue to watch the guidelines in case this changes.

## SCHOOL PHOTOS

Beginning tomorrow, we are hoping to start taking photos of students, both individual and class photos. This will be weather dependent so cannot give specific dates of when this will happen. In the event that SchoolPix are unable to complete our 2021 school photos this term, we are planning to provide parents with digital copies of the photos we have taken inhouse.

## YEAR 7/8 FOOD TECHNOLOGY

It was great to have the Year 7/8 Food Technology class happening yesterday - there were lots of yummy smells coming from the kitchen!
