From the Principal's Desk

In the book of Proverbs, God is trying to show us why we need to listen to His ways and His wisdom. The first two chapters of Proverbs explain that God has wisdom for all people, young and old. God gives this to us so that we can have a skilful, insightful, and successful life before God, as we live in this world. Wisdom is found in God and His wisdom is available to everyone to keep us from the damage that we could possibly do to our lives. The short version of this message is found in our current scripture memory, Proverbs 3:4. If we seek after wisdom like silver, we will find favour and good success in the sight of God and people.

HOT LUNCHES

Hot lunches will now be moving to a Thursday for the remainder of Term 3. Can you please ensure lunch slips are returned no later than Tuesday so that we can ensure we have adequate supplies. Thank you!

PARENT TEACHER INTERVIEWS

An interview schedule has been sent home today with your child/ren's interview time listed. If there are any problems with your interview time, please contact the office to change. Interviews are compulsory and students do not attend school on the day

BUT we ask that Secondary students attend their interview with Parents/Guardians. Primary students often come to school but don't need to sit in the interview.

OPERATION CHRISTMAS CHILD

Each year, Olivet Christian College packs boxes for Operation Christmas Child. The boxes are divided into age groups, 2-4 years old, 5-9 years old and 10-14 years old. Next week, students will be bringing home a box that, if you are able, can be filled with items including personal care items, school supplies, craft, toys, clothing or a 'Wow' item. For more information on what can and can't be included, please see <https://occ.samaritanspurse.org.au/home/pack-a-shoebox/what-goes-in-my-shoebox/>

These can then be sent back to school.

FUN & GAMES @ PARKOUR

Every week, on Wednesdays, Year 4-6 participate in parkour during the afternoon. It's a fun and educational experience for all to improve fitness. In this picture, we are playing a game called "Rob The Nest". Flynn (the teacher) stands on a platform with a ball on a rope and tries to tag the students with it! There are small balls on the edge on the platform that the students have to collect/rob and put on hula-hoops on the ground. There are teams of two and three and whoever has the most balls in their hoops wins.

We have a great time every week playing games and learning new parkour skills!
