## *From the Principal's Desk*

In the middle of whatever we are feeling today, God wants to be our refuge, strength, and our help. God is our protection even when we think that the sky is falling. When the world crashes in around us, God is still there, protecting us. The word 'refuge' literally means to *flee*, as in running to a shelter.

"God is our refuge and strength, a very present help in trouble." (Psalm 46:1) What a great picture of God's heart! He gives safety and refuge to his people, especially when they are in crisis. This is the same theme in Psalm 9:9: "The LORD

also will be a refuge for the oppressed, a refuge in times of trouble." If your world is being shaken right now, if you are running, run to the Rock of Refuge and seek safety in his strength.
