From the Principal's Desk

As we have looked at Genesis 1:1-8 over the past few weeks it has not been hard to see that God is the central character. God is mentioned ten specific times in this passage, and as we read further, this becomes evident. We can see that creation teaches us much about God. God is not like us. He is not something we invented. He is powerful, without beginning or end. God is shown to be a God of order and beauty. The fact that God wants to be known by us has never changed and He still desires that we know him and His great gift of love for us.

*And this is life eternal, that they might know thee the only true God,
and Jesus Christ, whom thou hast sent.*

John 17:3

BUT THOSE WHO WAIT ON THE LORD SHALL RENEW THEIR STRENGTH; THEY
SHALL MOUNT UP WITH WINGS LIKE EAGLES, THEY SHALL RUN AND NOT BE
WEARY, THEY SHALL WALK AND NOT FAINT.

Isaiah 40:31

AUSTRALIAN DEFENCE FORCE PRESENTATION

Thank you to Jayden & Vicki for coming to present to our Year 9-10 students on Monday. They provided lots of interesting information and the students were able to ask lots of questions also. Thank you!

LIFE OF CASTLEMAINE'S WORLD WAR 1 SOLDIERS

The old Videoland shop in Mostyn Street, Castlemaine has a display until the 5th June which features the Montage of photos. It is portraits of 70 men who were members of the local Australian Natives Association who served in the First World War. There is a reference to the work done by the students of Olivet Christian College and some of the folders produced by the students are displayed. Students over the years 2014-2018 researched and documented the service career of each and every soldier on the montage.

OPERATION CHRISTMAS CHILD

As Olivet will be supporting Operation Christmas Child again this year by creating boxes to be sent to children overseas, we are welcoming any donations from families and friends of the College. Students will be participating in a buddy activity later in the year to put the boxes together.

Primary Art

We have had a lot of fun in the primary Art room this semester. We have been studying colour theory during Term 1 and this term have begun looking at the element of line and textures.

The students have been studying and taking inspiration from artists that love colour and texture and have enjoyed being very expressive and challenging themselves to be adventurous in their choices.
