Number 26

24 August 2023

*From the Principal's Desk*

This week we have begun to consider the character trait of being steadfast. To be steadfast is to be stable. A steadfast person is steady, calm, and even-tempered, no matter what happens. Easier said than done, right? Continual connection with Christ is what it takes to be steadfast and faithful. We cannot necessarily do better by simply trying harder. We

need constant connection with and devotion to Jesus. Steadfast is the attitude we can have when we say, "No matter what my feelings tell me, or how the circumstances appear, I will put myself in the Lord's hands and trust Him." That's when our hearts are filled with peace.
