From the Principal's Desk

This week is our final week focusing on the character trait of honour. Honour is not an idea that we have come up with on our own. It is a key concept in Scripture. God created each one of us in His image. When we show honour to anyone—

our parents, a delivery person, the homeless person, our siblings— we are actively recognising and respecting God's creation. Our actions are saying to Him, "God, I love You and everything You have created." By honouring people, we are showing God that we recognise the value of the individual He made. Because He sees the value in every person He made, He wants us to do the same. We must allow God to show us the worth of those around us and give us the humility to honour and serve them as Jesus did.

HOUSEHOLD INFORMATION FORM

Thank you to those who have already returned the Household Information Form that was sent home last week. A number of them are yet to be returned. If you could please make sure this form is returned by next Monday 31 July so that we can be sure that our school records are up to date.

OPERATION CHRISTMAS CHILD

Thank you to those who have contributed to our boxes! We would love if families were able to

bring in some school supplies, craft or activities such as puzzles, craft kits, stickers, store-bought playdough, etc for when we put together our Operation Christmas Child boxes. Again, all items must be new and still in their packaging. Thank you so much to those who have already generously donated!
