From the Principal's Desk

Welcome back to some form of normality after another taste of remote learning. Thank you to parents, students, and staff who, once again, all worked together to navigate lockdown.

We continue to work through Psalm 121:1-8, our first

Scripture memory passage for this term. This Psalm is often used as a prayer as we pray for help. Imagine where our help would come from if we did not have God in our lives. Where would our help come from? Our self? Others opinions? How comforting to know that He made heaven and earth and sees us, won't let our foot be moved and does not slumber. He keeps us like no-one else! He loves us so much that He won't allow us to do something or be somewhere without already knowing where we are going or coming from. He provides always. We can trust Him in that.

Remember how He took care of Job and allowed things to happen to Him. Remember how He kept Daniel from the mouths of the hungry lions in the den. Remember how He provided for Noah in the midst of building a huge boat that no-one had ever seen before. Finally, remember how He sent Jesus to each one of us so that we might not perish and have eternal life through Jesus.

He will keep us! He is trustworthy! We can lean on Him and know that He will keep us now and forevermore. That is a promise found throughout the Bible for His children.

Students are reminded to wear clean, non-marking runners that will not scuff the polished floors.
