From the Principal's Desk

Our current Scripture memory passage tell us in the first verse how we can have peace with God. It is only obtainable because of Jesus. God has provided a way to bridge the gap between us and Him and it is through Jesus Christ by His death and resurrection! But we need to make the choice to put our faith and trust in Jesus Christ alone for our salvation. Salvation is not a goal to be achieved but a gift to be received. It is all about God's grace which is His love through Jesus Christ and the forgiveness that He makes freely available to each one of us. We don't have to do anything to earn Salvation. It is a free gift from God and we can't earn it! All we need to do is receive it by grace through faith.

“Therefore being justified by faith, we have peace with God through our Lord Jesus Christ:” Romans 5:1
