*From the Principal's Desk*

*Psalm 37:7 Rest in the Lord, and wait patiently for him: fret not thyself because of him who prospereth in his way, because of the man who bringeth wicked devices to pass.*

There are many verses in the Bible that instruct us to rest in the Lord and wait on Him. One of those is part of our current Scripture memory passage. This does not

mean to do nothing. Rather, it means that after we have done all we can, we should relax in the knowledge that God will take care of the rest. We live in a world where advice comes at us from a multitude of sources including from television and radio, streams from blogging sites; where friends and sometimes even strangers are eager to offer opinions about our life. So it's good to know that the Bible, God's Word is still relevant and reliable.

## ICE CREAMS!

For our last week of term, the Year 9/10 class have decided to give students a treat by selling Ice Creams next Tuesday. These will be for sale for \$2 each to continue to raise money for Operation Christmas Child!

## WINTER UNIFORM

At the start of Term 2, there will be a 2 week crossover period where students can wear either full winter uniform or full summer uniform (not a mixture of both). Winter uniforms are in stock at the office and now would be a great time to check if your child/ren need any winter uniform items. We currently also have a lot of good condition second hand uniforms in stock.

## PARENT TEACHER INTERVIEWS

Thank you to parents for attending the interviews yesterday and for your input into your child/ren's education.

## PREP - 2 CIRCUS

We're happy to let parents know that students in Prep-Grade 2 will be attending Circus classes again in Term 2! They had so much fun last year and it's exciting that they will be able to build on the many skills that they learnt.

## HOT LUNCHES

We will be starting up hot lunches again on a Wednesday in Term 2, which will continue into Term 3! Keep an eye out for more information.

## THANK YOU!

Thank you to Gordon Donaldson for all his hard work around the school grounds this term. Everything is looking great and we appreciate it very much! We've just recently purchased a new ride-on lawnmower, which will hopefully make the big mowing job easier!

## SECONDARY FOOD TECH

The Secondary Students created a simple no-bake cheesecake on Tuesday in Food Tech. They very much enjoyed eating the end results today at recess! In case anyone would like to give it a try at home, the recipe can be found at <https://www.woolworths.com.au/shop/recipes/no-bake-cheesecake>

ENCOURAGING...EQUIPPING...EMPOWERING

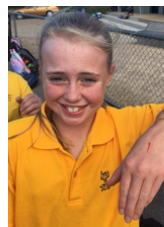

Year 4-6 students have been growing seeds in different spots to see what seeds need to grow.

Some were grown in a cupboard, some in the fridge and some on the windowsill.
