Secondary Science and Engineering Challenge in Bendigo on Tuesday;

Lois, Claire and Angie-Lee building an Eco-Habitat that can withstand weight, water and wind;

Ryley, Jonathon and Oscar with their Bridge Design ready to be weight-tested.

SCHOOL PIX NEXT FRIDAY

School photos will be taken next Friday June 6 in the morning. The Staff photo will be taken at recess.

SECONDARY BIKE EDUCATION

Bike Ed will continue for the last week tomorrow, so bikes need to be brought for tomorrow's sport session. Please ensure helmets are brought and that tyres are inflated thanks.

Students without bikes will be walking in a separate group with Mrs Donaldson so please bring your sports uniform as per normal.

Thank you parents for the extra effort involved in preparing students for the Bike Ed Program.

Bikes may be taken home after tomorrow's sport session.

RESOURCEFULNESS

Over these past few weeks we have been looking at the character trait of being Resourceful.

God is our greatest resource because He created us and has developed within us gifts and talents that may be used for His purposes. God gave to mankind the greatest gift of all - His only Son Jesus Christ who lived on earth, then died the death of a criminal even though He was perfect in every way. We were thereby saved by grace through our faith in God, no longer being held guilty for our sinful natures, but free to live according to the new life that God offers to each one of when God raised Jesus from the dead to demonstrate that the Spirit of God is alive. This Spirit of Jesus is now available to dwell within us all, and so can give life to our mortal bodies through His Spirit which dwells in us.

This Spirit carries an abundance of resources as shown through the fruit of the Spirit in Galatians 5:22-23 "love, joy, peace, long-suffering, gentleness, goodness, faithfulness, meekness, temperance (self-control) - against such there is no law."

"For the fruit of the Spirit is in all goodness, righteousness and truth."

Phil Chapman

PLEASE PRAY THIS WEEK for the BURT COX CRITCHLEY and DONNAN Families.

OLIVET COMES 3RD IN SCIENCE AND ENGINEERING CHALLENGE IN BENDIGO ON TUESDAY

Congratulations to the Year 8, 9 and 10 students who competed in the Challenge in Bendigo on Tuesday. Overall we came 3rd out of 7 schools, just pipped by Bendigo South-East and Girton College.

This is a wonderful achievement and it follows up the 3rd place received last year as well. This highlights the fact that even though we may be one of the smaller schools, our Science program is strong and we can still mix with the bigger schools!

Well done to students for applying your creative talents and engineering skills so successfully!

The Olivet News

NO LIMITZ CLIMBING WALL AT OLIVET

Today we had the climbing wall visit Olivet and all classes had opportunity to climb the wall. This is part of our Resiliency Program, which has been funded from the State Government.

SECONDARY CAREERS INFO SESSION EXPRESSION OF INTEREST

Di Davies, our local School University Liaison Officer, has offered to run a free session for Parents and Students addressing (but not limited to) the following topics:-

The change in workforce occupations (i.e. different types of jobs)

The best options for completing year 10 and then seeking an appropriate pathway to university, work place training, TAFE, apprenticeships etc

The need to seek information in a field of interest (i.e. your child might like computers, then investigate all the different careers possible in the computer industry. Di can provide lots of examples and handouts for this).

The Careers Info Session will be held at Olivet from 7:30-8:30pm on either Wednesday 6th August or Thursday 7th August.

EXPRESSION OF INTEREST

The Careers Info Session will be held at Olivet from 7:30-8:30pm on either

Wednesday 6th August or

Thursday 7th August

(please circle which one would suit you best)

Name of student

SIGNATURE OF PARENT/GUARDIAN

Please return to Mrs.Weightman by Thursday 12th June.

BUDDY DAY TOMORROW

The Secondary students as part of their assessment in their Performing Arts Program will be reading a picture story book to their Primary "buddies" during Buddy Time tomorrow.

Could all Year 7, 8, 9 &10 students remember to prepare their reading and bring their chosen picture story book to school tomorrow please?

ART/CRAFT INSTALLATION

In Auslan classes, the Primary students have been finger knitting to further develop their fine motor skills.

Next Wednesday, during Auslan we will be "Yarn Bombing" the school – this is the opportunity for students to display their finger knitting and other

woollen craft by using it to decorate around the College so students, please keep up the knitting, and don't forget to bring your work in next Wednesday so we can brighten up the College for winter!

If you have any spare wool that you are not using at home, any donations for our program will be gratefully received.

If any Secondary students wish to bring in their wool work, they are most welcome to help with our yarn bombing around the school too.

THOUGHT FOR THE DAY

"Your heart's affection determines your life's direction"
Henry Blackerby
