PRINCIPAL'S REPORT May 2014

Phil Chapman

Executive Report May 2014

We continue on with our strong and dedicated staff at Olivet. It was sad to lose Adrian as he moved to England to continue his teaching in a new and challenging environment, and Hugh as he pursues God's calling in a church ministry. Also Jemima finished as the office assistant as she commenced as a Maths Science Teacher in our Secondary program.

The improvements around the grounds have been long overdue and much appreciated by all, particularly the artificial turf. New desks and carpets have also updated the interior of several classrooms

It has been exciting to move forward and prepare to purchase land adjoining the College to be settled in 2014. This will allow us to park the two Rosa buses off the roadside and place the BCI in a better location. We can also continue to increase our classrooms. The increase in Secondary numbers is making it a tight fit in the current rooms. There will now need to be planning to bring this to fruition.

We would ask you to continue to pray for us as an Executive as we meet to discuss the spiritual, academic, physical, and financial aspects of the College and plan for the necessary developments in all areas. We do appreciate our school families and our Reachout Enterprises members and wish to thank you for helping make Olivet the great place that it is.

May the Lord continue to bless Olivet Christian College as we continue in not just education but in the encouragement of Christian growth in each student.
