From the Principals Desk

Put others first,
Because Jesus put you first.

Authorities as to the latest advice and rulings in regard to COVID 19 and we will certainly pass on any relevant updates as they come to hand.

This Term our first character focus is that of being humble. Jesus displays many attributes including being loving, courageous, obedient, and gracious but high on the list would have to be humility. Jesus began his physical time on earth with a humble birth in a stable. He was brought up in humble little town. He didn't own a home or in fact very little in the way of possessions. Jesus actually described his own character as humble.

"Take my yoke upon you, and learn of me; for I am meek and lowly in heart:"
Matthew 11: 29

Humility would have to be one of our most needed character traits. In its simplest form, humility is being able to put others ahead of ourselves not "after me you're first". I heard it once said that humility is not thinking less of ourselves, it is thinking of ourselves less. Let's have that as one of our goals, to put others first.

Cabin Fever

By Michael McLean

Cabin fever is here. The rift between us grows.
I feel that trouble's brewing; from my head, to my toes.

Beneath the skin we're warming, from cold up to a boil.
The only people you can trust, are them you know are loyal.

A button's pushed, the sparks will fly!
The flood gate opens, now one will die.

This fight they said, was "to the death"
(Which means to fight till one is left).

But then they stopped for a quick break
When mother calls, 'Who wants some cake?'
