From the Principals Desk

Continuing on with our character focus on being generous, we should also consider its close cousin, Kindness. Kindness is a fruit of the Spirit. That means if we are living the way we are supposed to be living, according to God's Word, then kindness will be a fruit that grows out of our lives. When we think about kindness, what comes to mind? Probably an action, right? Doing something nice for someone else? What if we stopped thinking of kindness as an action and started thinking of kindness as an entire lifestyle? If we have an attitude of kindness then it will be easier to be kind with our words and with our actions. We all know that it's really easy to be unkind with our words. But if we take a little time to think before we speak, it will make a huge difference. In our daily lives, we can easily push our kindness to one side in favour of

convenience. It's much easier to be selfish. So this week, as we are going about our normal routine, let's take the time to purposefully make sure our actions are kind. Let's think about how we can exhibit kindness with our actions.

"Put on therefore, as the elect of God, holy and beloved, bowels of mercies, kindness, humbleness of mind, meekness, longsuffering;"
Colossians 3:12
