25<sup>th</sup> June 2020

## *From the Principals Desk*

In our final Scripture for the term, the last verse tells us that if we seek God, we will find Him when we search for Him with all our heart. Our relationship with God gets stronger as we make the effort each day to put Him first. God already put us first and gave us His best when He made the supreme and ultimate sacrifice on our behalf. God the Father covers us with His love. Jesus pleads and prays for us each day. God the Holy Spirit lives within us comforting and helping us in our weaknesses. This is not a passive relationship. Believers need to draw close to God each day. We must submit to Him each day. We keep drawing nearer to Him each day. In short, this is part of how we search with our whole heart. We persevere in this because it is the love of Christ that motivates us.

Thank you to all associated with Olivet for all the effort that has gone into the First Semester. I pray that each family will be able to take a break and spend some quality time together during the holidays.

God Bless,  
Steven Nicholas
