Number 27

29th August 2019

From the Principals Desk

In our current memory verse passage, we are given some insight into how we are to trust in the Lord. In verses 5-6 of Proverbs 3, God tells us that we need to trust Him with all our hearts. This means that we trust Him with every part of our being and in all things. We are to trust in God more than trusting in our own skills, talents and experiences - now that's not easy when we are always told that we need to be so self-reliant. It is just as important for us to trust God as it is for us to obey Him. In fact trust is part of obedience. God tells us that if we will trust and obey Him then He will direct and guide us.

OPERATION CHRISTMAS CHILD - THIS WEEK: SOMETHING TO WRITE WITH/ON

Thank you for your donations this week for personal hygiene. Next Thursday, the Year 9/10 students will be collecting donations under the category, 'something to write with/on'. Examples include pencils, pens, notebooks, erasers, etc.

Please take note: all the items we collect must be brand new. Please leave the items in their packets if possible. Thank you for your contribution to Operation Christmas Child!

Encouraging Positive Dental Experiences in Children

Dental visits are essential for everyone to maintain good health and wellbeing. Oral Health contributes significantly to your overall health.

For some adults, the thought of taking your child to see an oral health professional may create fear or anxiety.

Children do not naturally have these feelings about seeing an oral health professional. However they can learn these feelings through suggestion of others.

Dental treatment is far more sophisticated these days and increasingly less uncomfortable.

A positive dental experience is important. Always talk positively to your child about visiting dental services.

Book your appointment today – free for all children 0 to 12 years and no waiting list!
