SUMMER UNIFORMS

It is certainly a different look with the boys now in their new white summer shirts. Can parents please be sure that if students need to wear a T-shirt or singlet under the white shirt, that it be of the same colour as the shirt and that it not have writing or coloured pictures on the undershirt. Please also remember that the boys socks are to be grey.

The Olivet News

Our first memory passage for this term is Psalm 1. The first verse reads:

"Blessed is the man who walks not in the counsel of the ungodly."

To improve productivity, a business employed a consultant, who called a meeting of all the employees. Stressing the need to listen to experts, he said, "Imagine you're on the *Titanic*, and it's sinking. You climb into a lifeboat. Which direction would you row?" Then he asked, "What if you had the ship's navigator with you? Now which way would you go? You'd row the way the navigator told you to, right?"

There were murmurs of agreement until one fellow in the back interjected with, "Well, I don't know. He's already hit one iceberg!"

The book of Proverbs urges us to get advice from the wise (1:2-7). Wisdom

in the Bible is the "skill for living." The word wisdom is used in reference to the detailed work of the workers involved in constructing the tabernacle (Exodus 31:1-11). God gave them and others skill for artwork, building, weaving, and carving. Today, wise men and women have a valuable skill—"the skill for living." Don't take your lead from others until you take a look at their lives. If they have crashed into a lot of icebergs, they may cause your life to sink as well.
