The Olivet News

As we have been considering our current scripture passage, a reoccurring word that has been coming up is "choice". It doesn't matter our age or station in life, we all have to make choices every day and these choices can have far reaching consequences. Making wise choices will help us to become successful. I came across a number of reasons why our choices are so important.

1. Little choices make a big difference. How we handle the little choices will determine how we handle the big choices.

2. God gave us the freedom to choose. We can choose to follow, or not to follow Him. Not only in choosing to accept his offer of forgiveness and therefore eternal life, but choosing God's ways will bring us success.

3. Each choice has a consequence. When we hear the word consequence we tend to think that it is something bad. But, consequences can also be good, it all depends on which way we choose.

4. Choices need to be made with a purpose. We have to live with purpose or we will not accomplish God's best for us. We need to make good choices each day.

The choices we make each day set our pathway in life. We should ask ourselves if our choice will bring us and our family closer to God and his plan for our life? If it doesn't, then the choice isn't a good one.

Steven Nicholas.

PLEASE PRAY This week for these families: Bignoux, Bodno, Brown and Burt families.

SUMMER UNIFORM REMINDER

Please be reminded that if students need to wear a T-shirt or singlet under the white shirt that it be of the same colour as the shirt and that it not have writing or coloured pictures on the undershirt. Please remember that the boys socks are to be grey in colour.

BREAKFAST

It has come to our attention that there are a small number of students who come to school saying that they have either not had breakfast or didn't have much for breakfast. Please remember that Breakfast is the most important meal of the day. It can help with memory and concentration at school, and give energy to study and play. Regular breakfast eaters tend to have a healthier weight than those who skip breakfast.

OPERATION CHRISTMAS CHILD

Thankyou to all those families who contributed both packed boxes and items to be included in boxes. The Year Nines will, in the next couple of weeks, begin our Friday Lunchtime Ice Cream Stalls to help raise the required \$700 dollars needed to be able to send the boxes to their final destination

SECONDARY SPORT

Tomorrow the secondary students will be traveling to the Campbell's Creek Oval on the School Bus to take part in softball/cricket for the afternoon. Make sure you bring your asthma medication (if required) and your water bottle as the weather is warming up.

DATES TO REMEMBER

TERM FOUR Mon Oct 8 - Thurs. Dec 6

30th October Tuesday Orientation Morning
5th November Monday no students at school. 6th
November Tuesday Melbourne Cup Hol. 8th November
Thursday Orientation Morning

6 December Thursday End of Term/Year
Presentation

A colorful poster for a 'Bright Lights Party' on Wednesday 31st October from 4pm to 6pm. The background is a vibrant rainbow gradient with bokeh light effects. The title 'Bright Lights Party' is in large, bold, yellow and blue letters. Below it, the date and time are listed. The event is free for primary kids at 66 Blakeley Road, Castlemaine (Church of Christ). The schedule includes a Lolly Hunt at 4pm, Silly Sausage Sizzle at 5:00, Disco/Karaoke starting at 4:15, and Home Time at 6pm. Activities like a Jumping Castle, Snow cones, Games, Slip n Slide, and Boring Parents Café are also mentioned. A registration link is provided: superheroesnotspooks@gmail.com. The theme is 'DRESS UP = Superheroes', with prizes for the most creative superhero dress ups. A note states that a supervising adult must remain at the party. On the right side, there is a silhouette of a person jumping with a banner that says 'BRIGHT LIGHTS' and a sun icon above it.
