# The Olivet News

We read in our current memory passage that a wise person honours God, and God protects him while a foolish person refuses to obey God. There are many dangers for such a person and Proverbs explains these dangers. Solomon tells us about four types of person who will benefit from his wise words.

**1. The simple person:** God wants the simple person to learn his wisdom which begins when we invite God into our lives. Then He will help us to become wise, grow in wisdom, and grow in our knowledge of Him.

**2. Young people:** the people believed that they should remember proverbs so fathers taught them to their sons and mothers taught them to their daughters. Grandchildren learnt them from their grandparents. In this way, children learnt to be wise so in the future, when problems came, they would know the right thing to do.

**3. The wise person:** A wise person loves wisdom. "He loves God's law. He is always thinking about it." (Psalm 1:2). He always wants to learn more and is never too tired to think about wisdom.

**4. The intelligent person:** Like the wise person, the intelligent person wants to learn and will ask for advice; always trying to understand God's ways.

We all fit somewhere in the above types of people and therefore will always benefit from obeying what God tells us in his Word.

Steven Nicholas.

### SWIMMING SPORTS

Friday March 2 12:00-3:00 pm.

The 2018 Olivet Swimming Carnival has arrived. Students will be bussed to the Harcourt Pool at 12.00 for a 12.15 start. Lunch, snacks, drinks, sun screen, hats, swimming gear and medication need to be brought. Sports clothes should be worn Friday. First, second and third place getters will be awarded ribbons as well as House points. If we can complete the swimming program in good time there will be opportunity for 'free time' at the end of the day. School buses will depart from the pool for a normal run home. Parents can take their children home but please notify teachers and bus drivers to avoid confusion at the end of the day.

Swimming continues for the primary classes next week.

## PARENT TEACHER INTERVIEWS

Tuesday, March 27th.

Please note that the Parent/Teacher Interviews have been scheduled to take place in the last week of Term One this year. More information will be given out in the coming weeks.

## COLES SPORTS FOR SCHOOLS

Just a reminder that the Coles Sports for Schools program has begun for this year. When you shop at Coles Supermarkets, you will receive a voucher for every \$10 spent. Send your vouchers into the school office and place them in the Coles box. All the vouchers we collect will go towards purchasing sporting equipment for the school. The more vouchers we can collect the better. Be sure to collect as many as you can from your family and friends.

## WINTER UNIFORM Time is running out!

We need to be able to plan for next term. So we are asking if you would assess your student's Winter uniform needs and place your order with the office as soon as possible. As the girls pinafores/skirts are not off the rack items, we have to order them at least six weeks ahead.
