Sports For Schools Equipment THE BACKYARD BARD!

The Backyard Bard is a Christian Theatre Company that specializes in Biblical Storytelling.

Their mission is to help all people to engage with the incredible stories of God's Word—to enjoy them, to share them and most importantly, to come to know the God revealed by them.

They are passionately dedicated to taking God's stories to a world that increasingly has never heard them.

Since 2002, the Backyard Bard has had the privilege of bringing the power of Biblical Storytelling to churches, universities, schools and arts festivals across Australia. It is all about bringing the Bible to life... The Bible is God's living and active Word.

Biblical Storytelling is about connecting with these dramatic and living stories, committing them to memory and sharing them with the passion that they deserve. Have a look at the website for samples www.theBackyardBard.com

Backyard Bard is coming to the Castle-maine Church of Christ, 66 Blakeley Road, on Sunday 29th May.

SPORTS FOR SCHOOLS

Well, the day we have all been waiting for has arrived. The Sports for Schools equipment was delivered this week, which we are very grateful for.

Thanks again to all who contributed by collecting Coles vouchers. It is for this effort that the school received a new touch football and a bag of indoor hockey sticks. I hope that the students will gain new skills and experiences as they utilise this equipment.
