FOLLOWING YOUR DREAM

It has been exciting to follow Jessica Watson's arrival in Sydney after 7 months at sea sailing solo and unassisted around the world. What an incredible achievement for someone so young! What a goal she set for herself!

We are awe-struck by the trip currently being undertaken by Tim and Ken as they make their way around the world in their light plane too! They too are living their dream (and no doubt loving it!) but with all the challenges and difficulties along the way. You can follow Ken and Tim's progress on www.millionsagainstmalaria.com.

We have talked with the students about setting goals in life and achieving success with them. The secondary students are currently at the Grampians on a 3-day bushwalk, and are probably setting goals for themselves as we speak.

It is so important that our young people set themselves targets and try to achieve them as a way to growing in confidence and tackling their challenges. We pray for all our students that they will all develop the capacity to try new things, even things they thought were impossible, and to grow in confidence. May they be passionate about life and want to live each day to

the full. May they see their full potential in Christ and fulfill all the purposes that God has planned for them over their lives.

"For I know the plans I have for you, says the LORD, plans for welfare and not for evil, to give you a future and a hope. Then you will call upon Me and come and pray to Me, and I will hear you. You will seek Me and find Me, when you seek Me with all your heart". Jeremiah 29:11-13

We continue to pray for God's continued protection and safety for Ken and Tim along their journey and to bring God's blessings to many along the way as well as encouragement and hope to those suffering from malaria throughout the world.

PLEASE PRAY THIS WEEK for the HORDERN JOHNSTON KUHLE and both the LACEY Families.

ELC will be participating in the Inter-school Kickball competition at Wesley Hill on Tuesday 25th May. This will be a fun day with children out of the school from 9.15 till early afternoon.

Sports Uniform is required to be worn on the day and supporters and helpers are welcome. Students are asked to bring water bottles, snacks and lunch on the day please.
