Scruffy and Lucy at the table prepared by the Lord ("in the presence of mine enemies") Psalm 23:5

A GOOD MEASURE

Let the grace of the Lord
be the measure of your sufficiency;

Let the peace of the Lord
be the measure of your quietness;

Let the power of the Lord
be the measure of your strength;

Let the goodness of the Lord
be the measure of your contentment;

Let the love of the Lord
be the measure of your service;

Let the faithfulness of the Lord
be the measure of your trust;

Let the beauty of the Lord
be the measure of your worship;

Let the fullness of the Lord
be the measure of your joy;

Let the sovereignty of the Lord
be the measure of your confidence;

Let the promises of the Lord
be the measure of your expectations;

Let the coming of the Lord
be the measure of hope.

You are my portion, O Lord. Psalm 119:57

PLEASE PRAY THIS WEEK for the
MANNING McARDLE McCOY and
McKENZIE Families.

Abigail Jesse Alanah and Zoe

JUMP ROPE FOR HEART

Friday 17th June

On Friday June 17th we will stage a tabloid skipping afternoon where some of our Secondary students will demonstrate their skipping rope skills and lead small group challenges for the younger classes.

Students doing Food Technology will cook a BBQ lunch to assist with the fund raising.

The Heart Foundation provides incentive prizes for amounts raised over specified limits.

Forms have gone out to each primary student for the collection of donations to support the Heart Foundation. These forms should be signed by parents and then returned to the College for a validation stamp.

June 17th is only two weeks away! Let's make an effort for a worthy community cause!

ITEMS REQUIRED

The ELC is in need of food catalogues (preferably coloured) in the coming week please and we would be grateful for any such catalogues to be recycled to the school. Thank you.

TABLOID SPORTS DAY FOR ELC STUDENTS (Tomorrow)

ELC students will be attending the Inter-school Tabloid Sports Day coming up tomorrow (Friday 3 June).

It will be held at the Castlemaine Junior Secondary Campus in Blakeley Rd - weather permitting! We will travel by bus to the venue and return to school around 1.15 pm.

The Olivet News

Children will need to wear their sports uniform and bring along their lunch/snacks/drink, medications and a coat if needed on the day. Please see Mr Treloar if you are available to assist as a helper/spectator.

PERMISSION FORM ELC TABLOID SPORTS

I give permission for my child _____ to attend the ELC Tabloid Sports Day at the Castle-maine Junior Secondary Campus on Friday June 3rd.

Signed _____

CYBERSAFETY HELP BUTTON

A Bookmark pointing out a website which could be helpful in managing the Internet in your home has been included with the Newsletter today, courtesy of the Australian Government.

AUSTRALIAN GEOGRAPHY COMPETITION

Congratulations to the following students on the results as follows:

LOIS BROWN Junior High Distinction Year 7
RYAN WHITE Junior High Distinction Year 8
JANIE DONNISON Intermediate Credit Year 9

TRAVEL ON SCHOOL BUSES

A reminder to all school bus travellers of some important guidelines:-

The use of the school buses is a privilege and must be treated as such—it is not to be taken for granted Noise on the bus should be kept to a minimum for the comfort and safety of all other passengers and the driver.

Students are reminded to respect the College in ensuring they are fully dressed in proper school uniform at all times while travelling on the school bus.

GET INTO SCIENCE DAY Tues 7 June

Year 9 students will be attending a Science practical hands-on Workshop Day at the Bendigo Discovery Centre next Tuesday. Mr Chapman will be accompanying the class.

It is an initiative of the Faculty of Science, Technology and Engineering at LaTrobe University and is designed to inspire young people and raise awareness of both the educational and career opportunities in different science-related fields.

Students will be in school winter uniform as normal. We will depart Olivet at 8.45am and will be returning by 3.15pm.

Bendigo students may meet us at the Centre at 9.30am and may be collected from the Centre at 2.30pm. A free lunch will be provided for the students.

The program will cover 5 main activities:-
Environmental Management and Ecology (Lab)
Psychology
Information Technology
Civil Engineering
Pharmacy

Please complete the Permission Form below to allow your student to participate.

PERMISSION FORM

I give my permission for _____ to attend the Bendigo Discovery Centre Science Day as outlined above.

I understand lunch will be provided for the students.

SIGNATURE OF PARENT/GUARDIAN

YEAR 9 HEALTH PE

This term, the students are focusing on Mental Health Issues. This week the students became medical interns. They were given at least two cases where they had to diagnose a health problem based on the patients symptoms. This topic is to aid the students in their understanding of mental health, how they are diagnosed and treated and how we can show God's love towards those who suffer from such illnesses.

YEAR 7/8 GEOGRAPHY

The year 7/8 students have learnt how geographers classify the various environments we see on Earth. The students have focused on desert, rainforest, mountain and agricultural regions in Australia. Next week the students will be simulating a volcanic eruption and learning how these events can shape our land.
