LET GOD CHOOSE

As for God, His way is perfect! Psalm 18:30

Let God choose for you, it will be the right decision.

Let God guide you, it will be the right direction.

Let God plan for you, it will be in the right timing.

Let God measure for you, it will be the right portion.

Let God help you, it will be the right care.

Let God instruct you, it will be the right teaching.

Let God prepare you, it will be the right training.

Let God counsel you, it will be the right perspective.

Let God fight for you, it will be the right outcome.

Let God work in you, it will be the right result.

-Roy Lessin, DaySpring co-founder and writer

REMINDER: JUMP ROPE FOR HEART

Friday 17th June

All Primary students are encouraged to see family, friends and neighbours to collect donations for the Heart Foundation. NB Primaries are asked to wear their sports uniform all day on this day. Secondaries will change into their sports uniform at lunchtime as per normal sport.

LOTE NEWS

Over the past few weeks, all of the students have viewed parts of the video, "No Arms, No Legs, No Worries" in their LOTE classes as we have discussed the attitude of Nick Vujicic to his disability.

Nick is an amazing young Australian in his mid twenties born without arms or legs, who tours the world speaking to churches, schools and corporate organizations as a motivational speaker.

He has many positive messages of encouragement to share and is an inspiring example of a Christian who lives out his faith daily.

If you know of anyone who needs encouragement to deal with life's challenges, get them to check out www.attitudeisaltitude and they will find many reasons for thankfulness.

If your family ever gets the opportunity to meet Nick, make sure you take it! Ask your children!
